54th EDOS Inc AUTUMN SHOW

I know it is hard to believe, but our 2020 Autumn Show is only a couple of months away!! It will be held on 21 and 22 March 2020 with judging on Friday night 20 April 2020.

The Show Schedule will be available in the next Newsletter so that members can start planning and organising the plants they may want to bench or sell.

For those members who have not sold through EDOS Inc before, EDOS Inc makes payments for Plant Sales via EFT. Treasurer Rooks will have forms available at the next few meetings and at the Show for Members to fill out with Bank Details. These forms, once filled out, are to be handed back to either John Rooks, or Dot Rooks who is one of the Hostesses on the door at Meeting nights. Be assured that this information will remain confidential.

BAR CODE LABELS

Bar Coding Labels for the upcoming EDOS Inc Autumn Show **will need to be ordered early to avoid a last minute rush.**

It may not be possible to print labels on Friday night.

Remember, any labels that you had left over from the Spring Show can be used again at the Autumn Show.

The Bar Code Label Request Form is on the Website, and for those who need them, they will also be available at the next 2 meetings.

The contact details on the form are Important, so that Ray can contact the member if there is an issue, or to let the member know when they are ready for collection.

The most important information required is the number of labels required for each dollar value. Any labels you do not use can be used at any EDOS Inc show in the future.

To ensure that the Barcoding system works efficiently and quickly, we are requesting that ALL labels be put vertically on the pot (as below), instead of horizontally, to enable the reader to work more efficiently.

The Barcode label needs to be put on the **back of the plant name tag on mounted plants.**

If there are any queries please contact Ray, either on 3823 4277 or email taketwo@iprimus.com.au

Remember, it is a requirement to have these barcode labels on your pots, as this is the only method our Plant Sales Staff will be using to process the sale of your plants.

In addition to the bar code labels, you can still put the "old style" information Tags on your plants with any other information you want eg species, colour etc.

DON'T FORGET – NO BAR CODE LABEL, NO PLANT SALES!

Plant Benching Labels - are available on the Website. They will also be available at the January and February Meetings.

Craft Sales Tags will be available at the January and February Meetings. If you have any queries about items to be sold through Craft Sales, please contact Convenor Narelle Edmonds.

Member Number – If you do not know what your Member Number is, it will be available from the Plant Registrar on the Friday night. This number needs to be

used if you are benching, otherwise we can't identify the owner of the plant should it win.

Names on Plant Labels - For any members who are unsure of, or would like to confirm that their plant labels are correct before benching, (either spelling or registration of crosses) EDOS will have the Orchidwiz database available for members to check their labels on Friday night prior to benching of plants,. Please see Ann Kable or Janelle Girdlestone

Show Attendance Register - – It is EDOS Inc. policy that ALL persons attending; exhibiting; benching or selling orchid plants at the Autumn Show sign the EDOS Inc Attendance Register, so please make sure you sign when you arrive at the Hall.

Fire Ant Register – Department of Agriculture and Fisheries requires that Members **MUST** sign the Fire Ant Register before Plants can be accepted for either showing or Sales. This Register **MUST** be signed regardless of where you live. Care needs to be taken when transporting plants.

Please remember that Plants **SHOULD NOT** be placed on the ground or floor at the Venue.

Kitchen - Catering Convenor Margaret would appreciate any donations of cakes, slices and cookies etc. Margaret would also appreciate assistance in the kitchen, especially early in the day for preparation.

Plant sales – Convenor Dick Dorham will require helpers in Plant Sales. Dick would also appreciate it if anyone can bring in small boxes.

If anyone is interested in operating the Cash Registers during the Show, please contact Plant Sales Convenor, Dick at the next meeting, and he will organise some training.

Convenor Dick would also like to emphasise that fact that you must NOT alter the monetary value on the bar code label by writing on it. If you wish to change the value, or you don't have a label of the value you want to charge, please replace the label with the correct value. You cannot put 2 labels on your plant to be added together (for example, a \$20 and a \$10 label for a \$30 plant)

Condition of Sale Plants – Please ensure that any plants you may present for sale are virus free, clean and NOT RECENTLY POTTED. Plants need to be stable in the pots and not show any insect damage, etc.

It has been noted that some plants presented for Sale at recent EDOS Shows were below the standard and quality

that this Society considers acceptable. If a plant is not of the standard that you yourself would purchase, then it should not be presented to Plant Sales

As per our By-Laws, -refer in particular to EDOS By-Laws 5.6 and 5.7 - such plants which are deemed to be of an unsuitable standard will be removed from the Sales Tables.

Sales at EDOS Inc Shows are limited to Orchids and Orchid related products. Any queries relating to Sales need to be directed to the Plant Sales Convenor, Dick

Cut Flowers and Greenery – The Ladies from the Floral Arrangement section of our show are requesting contributions of any orchid flowers, bromeliad flowers and Anthuriums, and also greenery for their floral arrangements, especially on Saturday, as these Floral Arrangements are very popular, and supplies usually run low by lunchtime.

The leaves from the cordylines, flax, anthurium, camellia bush, magnolia, strap leaves and crotons are great for greenery, along with all the others you kindly bring. We would also be very grateful for containers (small or large) suitable for flower arrangements.

Many thanks in advance to all who help us out. If in doubt please ask Brent Nicoll.

General Information

Members of other societies who are benching plants for judging are permitted to offer plants for sale, subject to the normal conditions of sale and volume.

Plants remaining after completion of the show are the responsibility of the owner. All care is taken to limit any discrepancies but prompt collection is advised on completion of the presentations.

Assistance During The Show

*If you are available to help out at the Autumn Show please put your name on **the Roster at the next meeting (Roster will be at the front table)**, or contact either Show Captain Ray, Secretary Milton or President Barry and let them know when and where you would be available to help out.*

We particularly need volunteers for the Front Door, and Plant Minding, and to set up **on Friday afternoon from 3.00 pm, and clean up on Sunday afternoon.**

Even if you can only spare a couple of hours, we need as many members as possible to help make the show a success

and give all of our workers a break and a chance to have a browse around the show!

EDOS Inc Show Vouchers

For those Members who are lucky enough to win Prize Vouchers at any of our EDOS Shows, please be assured that these vouchers CAN be used at the EDOS Inc Trade Table at any time **before the expiry date shown**, or at any of the Sponsors noted on the vouchers.

This means that any Vouchers won at the Spring Show need to be used prior to, or at the Autumn Show through Orchidaceous Supplies.

Date Claimer

Our EDOS Inc Social Co-ordinators are organising a Bus trip on 18th April, 2020, with plans to attend the Redcliffe OS and Pine Rivers OS Anniversary Show. As soon as more details are finalised we will send out an email to let members know what is happening. Having seen the plans, this should be a great day, so keep the date free.

Local Field Trip

Greg is in the process of organising a visit to a local grower's Orchid Collection. As soon as details are available we will send them out to members.

Position Vacant

EDOS Inc is still looking a member who is willing to take on the position of Publicity Officer for EDOS Inc. The position is not a hectic one – most of the work is in the 3 or 4 months leading up to a Show. It needs someone who is computer-and internet savvy as most of our advertising is done via internet, emails and some post-outs. There is a spreadsheet with all of the “Who, When and Hows” to make the job easier. The Editor is currently covering the position, and is more than happy to provide assistance. If you are interested, please contact either Secretary Milton or Editor Janelle for more details.
