56th EDOS Inc AUTUMN SHOW

Another successful Spring Show is over, although not quite as good as previous shows. It seems that there were a lot of people who were still wary of Covid, given the number of cases that were showing up in schools around the time of our Show. The number of plants on the Show Bench was great, with a good variety and great quality.

The number of plants in Plant Sales was unbelievable. Some of the Shows in the SE Queensland area were unfortunately cancelled, so there were quite a few of plants available for sale at our Show.

Treasurer John Rooks will have the figures available for the next General Meeting.

After having the Potting Demonstration outside on Saturday, we moved it inside on Sunday where it was well attended.

The Committee would like to say Many Thanks to all those who assisted in any way to make this Show happen, including those non-EDOS people who offered their time to assist the Society in any way. It would be great if EDOS members could "return the favour" and assist other Societies, after all, we all have the same "obsession".

Hostess Dot Rooks would like to thank those who assisted on the Front Door, welcoming those who attended the Show, and selling Raffle tickets. Cheerful, smiling faces always help to make the public welcome. It was so much easier without having to go through all of the Covid Rules.

Kitchen - Our Kitchen Convenor Margaret would like to Thank everyone who helped in the Kitchen, feeding our members over the 2 days, and providing supper for the Judges on

Friday night.

The Craft Table and the Floral Art Ladies were also kept busy all weekend, although not as busy as is usual. Many Thanks to those members who brought in flowers and foliage for the ladies to use, and supplied items for the Sale table.

The Plant Minding Area proved itself once again as a necessity. Thanks to those who manned this area.

Plants Sales Convenor Dick would like to thank all those who helped out in Plant Sales over the weekend, especially those working on the Registers, and those experienced growers who made themselves available to provide advice about the plants people were looking at purchasing.

Many thanks to everyone who helped out with setting up on Friday, assisted during the weekend, and especially with cleaning up on Sunday afternoon. All efforts are greatly appreciated as it allows everyone to go home at a reasonable hour.

Show Sponsors 2022

EDOS Inc would like to Acknowledge and Thank our Sponsors for our 2022 Autumn Show:

Aranbeem Orchid Nursery Bendigo Community Bank Brisbane Orchid Supplies D Dorham Fame Orchids Nursery G & M Botting Robertson Orchids

Acknowledgement of BCC Support

We would also like to acknowledge the Support of the Lord Mayor's Community Fund and Councillors Ryan

Murphy (Chandler Ward) and Lisa Atwood (Doboy Ward) for their assistance in Supporting EDOS Inc.

Congratulations

Congratulations go to Greg and Fiona Webb for their win in the AOC Orchid of the Year for their award of Best Species for 2021 with *Cycnoches warscewiczii* 'Fiona' FCC/AOC.

Date Claimer

Weather permitting (attempt number 3!) the Committee is looking for members who can give us a couple of hours of their time on **1 June**, **2022** to assist with the cleaning and maintenance of our EDOS Inc table collection. This is not a hard or heavy job (mostly playing in water!) – we will be checking the tables for any repairs that may be required, and then washing the tables with Sugar Soap and hosing them off, letting them dry in the sun before reloading the trailer.

We will be doing this task at the opposite end of the BISC Complex (1485 Old Clevland Road, Belmont) to where we hold our Shows, where there is a large concrete slab to work on.

If you are available, please let either President Barry or Secretary Garth know.

Morning Tea will be provided for those who will be there
