## NEWSLETTER FEBRUARY 2023

### **NEXT GENERAL MEETING**

The next General Meeting to be held on **Thursday 23 February, 2023**, commencing at 8.00 pm, at the Bayside Uniting Church Hall, 420 Wondall Road, Manly West.

In order to give members time to set up the tables, we ask that members **DON'T ARRIVE BEFORE 7 PM UNLESS YOU ARE COMING TO ASSIST WITH SETUP.**

Please give our Hostesses and other Volunteers time to get organised, and also there will not be any tables available to place plants on until this task is completed.

### **RED SPOTTER PRESENTATION**

Ken Webster will be doing a presentation on *Brassavola nodosa*. This will be very interesting, this is such an unusual and interesting plant, and it's a pity it is not grown more often.

### **FEATURE ITEM**

Ken Webster will be busy tonight! Ken is doing a presentation on 30 years of Red Spotters. This will be very interesting, as most of our members will not be aware of the history behind this very popular part of our meetings.

The following members are requested to make themselves available for the next meeting:

**Judges:** H Vickers, J Rooks, L Vickers plus volunteer

**Associate Judges:** R Harrison and C Barker

**Scribes:** Volunteers required please.

**Supper Stewards:** Kay Ludlow plus volunteers

**Hostesses:** Dot Rooks and Margaret Rieck

**Library:** Helen Vickers

**Plant Registrar:** Ann Kable

### **Trade Table**

Due to the set-up for QIOF being done on Thursday, there will be NO Trade Table at the February Meeting.

### **Membership Renewal 2023**

Members are reminded that Annual Subscriptions are due on 1 January, 2023 – both Family and Single \$15.

Payment can be made either by:

- Payment at the January General Meeting, cash or EFT;
- A cheque can be mailed to the Secretary, PO Box 60, Wynnum Central Q 4178;

- Or by Direct Transfer to the following;  
**Bank: Bendigo Bank**  
**BSB: 633 000**  
**Account No. 163067937 (please include your name in reference, otherwise it cannot be identified as yours)**

**PLEASE NOTE: The CBA Bank Account has now been closed. PLEASE MAKE SURE THAT YOU USE THE BENDIGO BANK DETAILS.**

Please take note that any members who have not paid their Subscriptions when the March Newsletter is due will not receive their copy, as they will be deemed to be unfinancial at the end of February (as per our Constitution).

Please also remember that you need to be a financial member to be able to table plants or have plants in Plant Sales at the upcoming Autumn Show.

## ***NEXT COMMITTEE MEETING***

The next Committee meeting will be held at 10.00 am on **Thursday 2 March, 2023** upstairs in the meeting room at the Wynnum Manly Leagues Club.

## ***NEW CLASS - MINIATURES***

Your committee has decided to introduce a **new class for our EDOS Inc Shows**. So, to get members used to benching their Miniatures, we are **also introducing the class to our Monthly Meeting nights** in order to get members used to the idea. The new class, being miniatures, is to encourage members to bring along those little flowers that they wouldn't normally bring because "they can't compete against the larger and more impressive flowers."

This class is open to all Open growers, and Novice growers will then transition into being able to enter the new class when they move up into Open.

The criteria for this new class of Miniatures is:

- The flower size must be under the size of 15 mm.
- It can be either a species or hybrid.
- The class is governed by the size of the flower and not the size of the plant it is growing on.

So, for all those growers who wouldn't normally bring their miniatures along, you are encouraged to do so, showing others that miniatures can also be interesting and worthwhile.

If your plant fits into several classes, it will be the grower's decision as to which class it is put into, eg, if it is a small Australian species (under 15mm) it could go

into either Australian species or Miniatures – growers choice.

Your committee will re-evaluate this class next year. If you have any thoughts/suggestions/comments please pass them on to your committee.

**These guidelines relate to both Meeting nights and EDOS Inc Shows.**

## **QIOF Orchid Fair**

The QIOF Fair will be held on Friday 24 and Saturday 25 February, 2023 at the Belmont Shooting Complex, 1485 Old Cleveland Road, Belmont.

There will be a large number of vendors from interstate as well as our Queensland vendors, with flask sales from overseas also to purchase from, so start saving up your "pennies" and think about what you would like to add to your collection.

## ***Wynnum Plaza Display***

We are looking for volunteers to man the pre-show Display at the Wynnum Plaza on 25 March, 2023, where we hand out flyers for the show, and answer questions from the public. Most of the "regulars" are unavailable due to other commitments, so if you are available, please let either President Kable, Secretary Garth or one of the Committee members know. Setup up is at 8.30, usually finishing around 2.30-3 pm. You don't need to be there for the whole day – just a few hours would be great. We will also be looking for plants to put into the display.

The Committee wishes Secretary Garth a speedy recovery and hopes he is back on his feet soon. Our thoughts also go to anyone else who is not feeling well.

## **57th EDOS Inc AUTUMN SHOW**

The 57<sup>th</sup> Autumn Show will be held on 1 and 2 April, 2023.

If there is any member who is interested in Sponsoring a Category at the Show, please let Show Captain, Ray know as soon as possible.

Please take the time to review the Show Schedule which was attached to last month's Newsletter, as there have been a number of changes made. **These include some amendments to several classes, and the introduction of a class for Miniatures – Hybrid or Species, maximum bloom 15 mm.** Please see article on **New Class – Miniatures** in this Newsletter for a description.

For those members who have not sold through EDOS Inc before, **EDOS Inc makes payments for Plant Sales via EFT.** Treasurer Rooks will have forms available at the next few meetings and at the Show for Members to fill out with Bank Details. These forms, once filled out, are to be handed back to either John Rooks, or Dot Rooks who is one of the Hostesses on the door at Meeting nights. Be assured that this information will remain confidential.

## BAR CODE LABELS

Bar Coding Labels for the upcoming EDOS Inc Autumn Show **will need to be ordered early to avoid a last minute rush.**

***It may not be possible to print labels on Friday night.***

The Bar Code Label Request Form is on the Website, and for those who need them, they will also be available at the February meeting.

The contact details on the form are Important, so that Ray can contact the member if there is an issue, or to let the member know when they are ready for collection.

The most important information required is the number of labels required for each dollar value (whole dollars ONLY). **Any labels you do not use can be used at any EDOS Inc show in the future.**

To ensure that the Barcoding system works efficiently and quickly, we are requesting that ALL labels be put vertically on the pot (as below), instead of horizontally, to enable the reader to work more efficiently.

The Barcode label needs to be put on the **back of the plant name tag on mounted plants.**

If there are any queries please contact Ray, either on 3823 4277 or email [taketwo@iprimus.com.au](mailto:taketwo@iprimus.com.au)

Remember, it is a requirement to have these barcode labels on your pots, as this is the only method our Plant

Sales Staff will be using to process the sale of your plants.

In addition to the bar code labels, you can still put the "old style" information Tags on your plants with any other information you want eg species, colour etc.

**– NO BAR CODE LABEL,  
NO PLANT SALES!**

**Plant Benching Labels** - are available on the Website. They will also be available at the February and March Meetings. **We would also like to see members who are benching plants use the label holders (available at registration) for their labels, rather than taping them to the pots. It is much easier for the scribes and the public to read the tag if it is above the plant. It also eliminates the possibility of having the public pulling out labels or moving the pots to read the name of the plant.**

**Craft Sales Tags** will be available at the February and March Meetings. If you have any queries please contact Convenor Narelle Edmonds.

**Member Number** – If you do not know what your Member Number is, it will be available from the Plant Registrar on the Friday night. This number needs to be used if you are benching, otherwise we can't identify the owner of the plant should it win.

 **Names on Plant Labels** - For any members who are unsure of, or would like to confirm that their plant labels are correct before benching, (either spelling or registration of crosses) EDOS will have the Orchidwiz database available for members to check their labels on Friday night prior to benching of plants. Please see Ann Kable or Janelle Girdlestone. The database is also available at our General Meetings.

**Cut Flowers and Greenery** – The Ladies from the Floral Arrangement section of our show are requesting contributions of any orchid flowers, bromeliad flowers and Anthuriums, and also greenery for their floral arrangements, especially on Saturday, as these Floral Arrangements are

very popular, and supplies usually run low by lunchtime. Many thanks in advance to all who help us out. If in doubt please ask Brent Nicoll.

**Plant sales** – Convenor Dick Dorham will require helpers in Plant Sales. Dick would also appreciate it if anyone can bring in small boxes.

If anyone is interested in operating the Cash Registers during the Show, please contact Plant Sales Convenor, Dick at the next meeting, and he will organise some training or a refresher for those who have worked on them before.

**Condition of Sale Plants** – Please ensure that any plants you may present for sale are virus free, clean and **NOT RECENTLY POTTED**. Plants need to be stable in the pots and not show any insect damage, etc.

It has been noted that some plants presented for Sale at recent EDOS Shows were below the standard and quality that this Society considers acceptable. If a plant is not of the standard that you yourself would purchase, then it should not be presented to Plant Sales. It is embarrassing when members of the public bring these plants to our attention.

As per our By-Laws, -refer in particular to EDOS By-Laws 5.6 and 5.7 - such plants which are deemed to be of an unsuitable standard will be removed from the Sales Tables.

**PLEASE NOTE THAT PLANTS CANNOT BE PUT ON THE SHOW BENCHES UNTIL THE CHIEF STEWARD IS HAPPY WITH THE SETUP AND SAYS IT IS OKAY – USUALLY AROUND 4 PM.**

**Sales at EDOS Inc Shows are limited to Orchids and Orchid related products. Any queries relating to Sales need to be directed to the Plant Sales Convenor, Dick**

## Assistance During The Show

If you are available to help out at the Autumn Show please put your name on **the Roster which will be at the next couple of meetings (Roster will be at the front table)**, or contact either Show Captain Ray, Secretary Garth or President Barry and let them know when and where you would be available to help out.

**One area we urgently need volunteers to cover is scribing on Friday night during Judging.** It is not an onerous job, the main part of the job is copying names off the plant labels of the plants that have been judged as winners, along with the correct Class, so that those in the office can print out the Place Cards. There will be someone there to assist you during the night. (Incidentally, you could always “practice” on Meeting nights during judging).

We particularly need volunteers in Plant Sales to assist members of the public, some members to “stand watch” at the entrance of the Show area to make sure no purchases go into the area, and also for the Front Door and Plant Minding, and to set up **on Friday afternoon from 2.00 pm, and especially for the clean up on Sunday afternoon.**

## Brisbane Orchid Supplies

*For all your Orchid Accessory Needs*

Pots, Orchid Mixes, Labels, Clips, Hangers, Fertilisers and lots more.

Suppliers of Orchiata Orchid Bark
