NEWSLETTER JULY 2025

NEXT GENERAL MEETING

The next General Meeting to be held on **Thursday 24 July, 2025**, commencing at 8.00 pm, at the Bayside Uniting Church Hall, 420 Wondall Road, Manly West.

In order to give our Hostesses and volunteers time to set up the tables, organise Sign-in Registers and Plant registration, we ask that members **DON'T ARRIVE BEFORE 7 PM UNLESS YOU ARE COMING TO ASSIST WITH SETUP**, otherwise it gets very congested around the front door. Please be mindful of members who are trying to get their plants inside, and leave a clear path.

RED SPOTTER PRESENTATION

July's Red Spotter presentation will be done by Harald Geppert. His topic will be "We all Start at the Beginning". How true.

FEATURE ITEM

July's Feature Item will be presented by Brian Klepzig from Nutrog. Having seen one of these presentations in the past, it will be quite entertaining and informative, covering both the company and its products.

NEXT COMMITTEE MEETING

The next Committee meeting will be held at 10.00 am on **Thursday 31 July, 2025** at Wynnum Manly Leagues Club.

Member Roster July 2025

The following members are requested to make themselves available for the next meeting:

Judges: J Rooks, G Webb, E Locke, B Nicoll
Associate Judges: K Cusack, P Latimore
Scribes: Volunteers required please.
Supper Stewards: Kay Ludlow and Malcolm Hay
Hostesses: Dot Rooks and Margaret Rieck
Library: Helen Vickers
Plant Registrar: Ann Kable

**EDOS Xmas
in July**

For those members who are attending the EDOS Xmas in July event on 26 July 2025 at the Wynnum Manly Leagues Club, doors will be open at 6.00 pm. Don't forget your gift for the Cent Auction table.

EDOS Bus Trip

The EDOS Committee has organised a Bus Trip to the Spring Orchid Spectacular, being hosted by the Nambour Orchid Society and being held at Bokarina on the Sunshine Coast on 6 September, 2025. There will include their usual Show, plus at least 12 vendors to visit, along with arts and crafts. Cost to members will be \$15 per head, non-members will be \$60. (Members are being subsidised as part of our Member Benefits). This will include admission to the Show, lunch and a visit to Aranbeem on the way home. Morning Tea will be at your own expense. Tickets will be available at the July and August meetings.

There will be a Menu available at these Meetings, so that you can choose your lunch, as we will need to pre-order our meals. We will leave Kables on Redland Bay Road at 7.00 am and the Church Hall at 7.30 am, to be home by 5 pm.

To our Newer Members, this is a great opportunity to spend the day with other members away from meetings, to ask questions and learn more about the Orchid world. These trips are fun and a great way to add to your collection from vendors you may not have the opportunity to have contact with – there will be vendors in attendance from other areas, including North Queensland.

What: *Brisbane Orchid Society Spring Show*
When: 15 November, 2025
Where: BISC Complex, 1485 Old Cleveland Rd, Belmont

59th EDOS Inc Spring Show 2025

I know that it is hard to believe, but the 59th EDOS Spring Show is on 13 and 14 September, 2025 – **2 months away!!**

You should have started looking at your plants. Keep an eye out for any new spikes and flowers, and consider whether they need to be staked up, or buds in clusters need to be spread.

The Show Schedule is attached to this Newsletter so that you can really start planning.

Make sure that you have enough Barcode Labels, and your plants are clean and fit for sale – this includes being stable in the pots (not repotted recently), and having no diseases.

For those members who have not sold through EDOS Inc before, EDOS Inc makes payments for Plant Sales via EFT. Treasurer Rooks will have forms available at the next few meetings and at the Show for Members to fill out with Bank Details. These forms, once filled out, are to be handed back to either John Rooks, or Dot Rooks who is one of the Hostesses on the door at Meeting nights. Be assured that this information will remain confidential.

BAR CODE LABELS

Bar Coding Labels for the upcoming EDOS Inc Spring Show **will need to be ordered early to avoid a last minute rush.**

DON'T LEAVE IT UNTIL THE LAST FEW DAYS.

It may not be possible to print labels on Friday night.

The Bar Code Label Request Form is on the Website, and for those who need them, they will also be available at the next meeting.

The contact details on the form are Important, so that Ray can contact the member if there is an issue, or to let the member know when they are ready for collection.

The most important information required is the number of labels required for each dollar value (whole dollars ONLY). **Any labels you do not use can be used at any EDOS Inc show in the future.**

Remember, it is a requirement to have these barcode labels on your pots, as this is the only method our Plant Sales Staff will be using to process the sale of your plants.

In addition to the bar code labels, you can still put the "old style" information Tags on your plants with any other information you want eg species, photos, colour etc.

**DON'T FORGET – NO
BAR CODE LABEL, NO
PLANT SALES!**

To ensure that the Barcoding system works efficiently and quickly, we are requesting that ALL labels be put vertically on the pot (as below), instead of horizontally, to enable the reader to work more efficiently.

The Barcode label needs to be put on the **back of the plant name tag on mounted plants, or on a separate label.**

If there are any queries please contact Ray, either on 3823 4277 or email taketwo@iprimus.com.au

Plant Benching Labels - are available on the Website. They will also be available at the July and August Meetings.

We would also like to see members who are benching plants use the label holders for their labels, rather than taping them to the pots. It is much easier for the scribes and the public to read the tag if it is above the plant. It also eliminates the possibility of having the public pulling out labels or moving the pots to read the name of the plant, reducing the possibility of plants being damaged - Oh yes it happens regularly, and then not put back in the correct pot!!!!.

Craft Sales Tags will be available at the July and August Meetings. If you have any queries about items to be sold through Craft Sales, please contact Convenor Narelle Edmonds.

Member Number – If you do not know what your Member Number is, it will be available from the Plant Registrar on the Friday night. This number needs to be used if you are benching, otherwise we can't identify the owner of the plant should it win.

 **Names on Plant Labels** - For any members who are unsure of, or would like to confirm that their plant labels are correct before benching, (either spelling or registration of crosses) EDOS will have the Orchidwiz database available for members to check their labels on Friday night prior to benching of plants. Please see Ann Kable or Janelle Girdlestone. The database is also available at our General Meetings.

Please make sure that your labels are clean and easy to read, so that the scribes can get the names correct when your plant wins a place. **Printed and not running writing or all capitals is CERTAINLY the best.**

REMEMBER, THE PLANT NAME INCLUDES THE GENERA, OTHERWISE IT IS DIFFICULT TO MAKE SURE IT IS IN THE CORRECT CLASS.

If you do not have clear printing, think about getting yourself a label printer – they are very easy to use and solves the problem of unclear labels. Brother have a really good one, a lot of us use it.

When you write out your Judged Plant Labels, also make sure that these are Clear and Easy to read, INCLUDING YOUR MEMBER NUMBER, as this is where the Scribes copy the information from to go into the members entering winners in the Database.

If the label can't be read, then you may miss out on your prize.

Show Attendance Register – It is EDOS Inc. policy that ALL persons attending, exhibiting, benching or selling orchid plants at the Spring Show sign the EDOS Inc Attendance Register, so please make sure you sign when you arrive at the Hall. There will be a Lucky Draw done at the conclusion of the Show for those members who have signed the book.

Fire Ant and Benching and Selling Register – Department of Agriculture and Fisheries requires that Members **MUST** sign the Fire Ant Register before Plants can be accepted for either showing or Sales. **This Register MUST be signed regardless of where you live. Recently, some Societies have been visited by DAF to**

check on their registers, so EDOS would like to continue to be compliant.

Signing these registers enables the Committee to identify anyone who may not have tags etc on their plants.

It is also a requirement if you are NOT an EDOS Inc member to make sure that you obtain an Exhibitors number from Ann Kable (or whoever is sitting at the table), otherwise you will not be in the database, and therefore we will not be able to record any places you may obtain on the Show Bench.

Cut Flowers and Greenery – The “artists” from the Floral Arrangement section of our show are requesting contributions of any orchid flowers, bromeliad flowers and Anthuriums, and also greenery for their floral arrangements,

especially on Saturday, as these Floral Arrangements are very popular, and supplies usually run low by lunchtime.

The leaves from the cordylines, flax, anthurium, camellia bush, magnolia, strap leaves and crotons are great for greenery, along with all the others you kindly bring. We would also be very grateful for containers (small or large) suitable for flower arrangements.

Many thanks in advance to all who help us out. If in doubt please ask Brent Nicoll.

Refreshments – The canteen will be available, we will once again have the friendly volunteers from the Lions Club coming in to supply our lunches and morning teas.

Plant sales – Convenor Dick Dorham will require helpers in Plant Sales. Dick would also appreciate it if anyone can bring in small boxes.

If anyone is interested in operating the Cash Registers during the Show, please contact Plant Sales Convenor, Dick at the next meeting, and he will organise some training.

Condition of Sale Plants – Please ensure that any plants you may present for sale are virus free, clean and **NOT RECENTLY POTTED**. Plants need to be stable in the pots and not show any insect damage, etc.

Plants also need to stand upright on both the Sales and Show benches, if necessary put them inside a larger-based pot.

It has been noted that some plants presented for Sale at recent EDOS Shows were below the standard and quality that this Society considers acceptable. If a plant is not of the standard that you yourself would purchase, then it should not be presented to Plant Sales. It is

embarrassing when members of the public bring these plants to our attention.

In recent months, there have been quite a few virused plants turning up at different Societies around the area. If you have a plant that may be suspect, please do not bring it to either Society meetings or shows, but have someone experienced have a look at it. Unfortunately, some viruses do not show up until the plant flowers (eg colour break), so if you have a plant like this in your collection, isolate it immediately, as these viruses can be spread very easily, by touch or even insects through your whole collection.

If you want to make sure whether it is virused or not, you can purchase a test kit from some of the nurseries to make sure – Barrita Orchids is one of these. You can also send a piece of the plant away to a Laboratory to have it tested at a reasonable fee.

There is more information in the Orchids Australia Magazine.

There is also a good article on Fame Orchids website about viruses in Orchids and how to prevent it.

If you find yourself with one of these plants, put it in a plastic bag, in the sun, and then in the general bin, **not** the greenwaste bin.

CAUTION IS THE BEST THING – DON'T TAKE CHANCES.

As per our By-Laws, -refer in particular to EDOS By-Laws 5.6 and 5.7 - such plants which are deemed to be of an unsuitable standard will be removed from the Sales Tables.

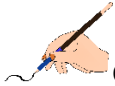

Sales at EDOS Inc Shows are limited to Orchids and Orchid related products. Any queries relating to Sales need to be directed to the Plant Sales Convenor, Dick

Assistance During The Show

If you are available to help out at the Spring Show, please put your name on **the Roster which will be at the next meeting (Roster will be at the front table)**, or contact either Show Captain Ray, Secretary Garth or President Barry and let them know when and where you would be available to help out.

Even if you can't stand for long, we can find you a “gentle job” where you can sit down and still be part of the Show.

Even if you can only spare a couple of hours, we need as many members as possible to help make the show a success and give all of our workers a break and a chance to have a coffee or browse around the show! Remember, it is your Society.

One area we urgently need volunteers to cover is scribing on Friday night during Judging. It is not an onerous job, the main part of the job is copying names off the plant labels of the plants that have been judged as winners, along with the correct Class, so that those in the office can print out the Place Cards. There will be someone there to assist you during the night. (Incidentally, you could always “practice” on Meeting nights during judging). So long as you have clear writing we would appreciate the assistance.

We also need volunteers in Plant Sales to assist members of the public with any questions they may have. You don't need to be an “expert”, a lot of the questions are very easily answered, or can be referred to someone who may specialise in a particular genera. The ever-busy Plant Minding also needs volunteers, especially during the busy times, in particular early to mid-morning. We also need assistance to set up **on Friday afternoon from 2.00 pm, and especially for the pack up on Sunday afternoon.** The more helpers we have the quicker it all gets done!

Vouchers for EDOS Spring Show 2025

As part of our Member Benefits, EDOS Inc Committee are again giving each membership who attends the July or August Meeting a Voucher to be used at the Spring Show. These vouchers will be distributed as follows:

- These vouchers will be handed out at the July and August meetings. NB Even if you attend both meetings you will only receive 1 voucher.
- 1 (One) only per membership (if you have a family membership you will receive 1 voucher only)
- The voucher **MUST** be used at the EDOS Spring Show 2025 only, at either Plant Sales or at Brisbane Orchid Supplies only, **before the close of business on Sunday.** Once the Show is finished the voucher will become null and void. These vouchers will be dated.

- Voucher must be used in full. ie **no change will be given.** You can use the voucher as part of a purchase, adding cash or card to finalise your purchase. They cannot be traded for cash.

One of our members will have the member list and the Vouchers at the next meeting, so please listen to President Kable to announce who will have this list.

If you have any questions, please ask a Committee member for clarification.

EXTRA SHOW FUNDING

Members will be pleased to note that Bendigo Bank have extended their funding to our EDOS Inc Shows, and will now be sponsoring First Place for each of the 3 Novice Sections at our Shows.

So, come on EDOS Novices – this is a fantastic incentive to bench your plants at our future Shows!

This is fantastic news and we Thank them for their generosity, especially JJ Cowley for his confidence in our Society.

DATE CLAIMER 2026

EDOS Inc 60th Anniversary Celebrations

I know that it might seem a long way away, but in 2026 EDOS Inc will be celebrating its 60th Anniversary.

The Committee is planning on having a Luncheon in June 2026, as well as a commemorative plant for all members.

Once we have a firm date, we will let everyone know as early as possible so that it can be included in everyone's calendar.

AOC Conference and Show 2025

Don't forget about this Conference in October. EDOS will be putting on a Table Top Display, and we will be looking for assistance with the supply of flowering plants for this display. Any plants included in this display will be eligible to be included in the main section of the Show for Judging in their relevant classes. We will be arranging transport for anyone who would like to "loan" their plants if they are not going down themselves. Rest assured these plants will be looked after.

If you are going down and are happy to assist in some way with our setup, can you please let President Kable or Secretary Dale know in the near future, so that we can start our planning.

For more information check the website:
www.aoc2025.org.au

Show Sponsors 2025

EDOS Inc would like to Acknowledge and Thank our Sponsors for our 2025 Autumn Show:

Aranbeem Orchids
Bendigo Community Bank
Brisbane Orchid Supplies
Dick Dorham
Fame Orchids Nursery
Michael Sue
Rolin Orchids
Tropic Gardener

NOTE FROM THE EDITOR

For anyone who is interested in receiving their Newsletter and any other information from EDOS electronically, please let me know your email address and I will include you in our email group. You will receive your Newsletter in a much faster timeframe, and not miss out on anything else that is often sent out in between Newsletters. My email address is editor@edos.org.au

GENERAL NOTICE

Members who wish to record change of address or other membership particulars – please advise the Secretary - email secretary@edos.org.au or phone 0410318587. **Disclaimer:** While the Management Committee and the Editor of the EDOS Inc Newsletter endeavour to assure the reliability of material and advertising printed in the Newsletter, neither EDOS Inc or the Editor can assume any responsibility for the views expressed in the Newsletter. Editors of other Newsletters are advised that EDOS Inc will be happy if they decide to use material printed herein, on condition of acknowledgement of where the information was obtained.
