*Descriptions are available for anyone who may be interested in taking on a position.*

**Nomination Forms will be available at the October meeting if you wish to nominate someone for a position. (with their approval of course.)**

think that we all learnt something useful about growing our orchids.

The Committee would like to thank those members who provided plants for the display – packing Barry's trailer was quite a challenge for Barry Ray and Bruce on Sunday afternoon, before it went to Kingfisher for Fire Ant treatment. We would like to send a huge Thanks to Kingfisher Orchids for attending to the treatment (especially since they were at another show the previous weekend, and they were also trying to pack up their own plants to attend the Conference at the same time as treating our plants!!!!!!)

Thanks to Bruce for towing the trailer with its precious cargo (ably?? assisted by John Rooks riding shotgun, even if he missed the turnoff to the service centre), and Thanks to those members who helped set the display up. There were quite a few plants in the display that won prizes, which was great, considering the distance the plants had to travel.

All in all, it was a very interesting week. Some of us even got to watch the Broncos win the NRL Grand Final at the local Bowls Club! Queensland commandeered their Sports Lounge for the event.

## **59<sup>th</sup> EDOS Inc Spring Show 2025**

Well, the 59<sup>th</sup> EDOS Spring Show on 13 and 14 September, 2025 is now “done and dusted”.

As mentioned in the previous Newsletter, Friday night was a huge challenge trying to find room on the benches for the multitude of Australian Native Orchids which were brought in for benching at the Show. However, the display was absolutely amazing in the end, giving the

Judges plenty of work to do. The number of individual plants was down slightly on previous shows – mainly due to the variability of recent weather conditions – but that was made up for by the sheer size of those plants that were brought in by members of EDOS and other societies.

We have some statistics from the Spring Show – still quite impressive!

	<b>Spring 2025</b>	<b>Spring 2024</b>
Admission	670	760
Show Bench Plants	409	472
Number of Exhibitors	58	59
Plants Sold	1776	2012

***All of our Convenors would like to thank those members (and non members) who offered their time to assist in any way during the weekend – without your help the Show would not be the success it was.***

Let's hope we can repeat it next year, or better still, go even better!!!
